Responsive. Experienced. Reliable. That's the HB McClure Difference.

EMPLOYEE OWNED

HBMcCLURE

TRUST. QUALITY. VALUE... SINCE 1914.

Your business needs a partner that's there for you 24/7/365. Countless businesses, from medical facilities to financial institutions to global warehouses to retail locations, trust HB McClure for their emergency HVAC service, preventive maintenance and HVAC equipment replacement needs.

- The resources to respond 24/7/365
- 400+ employee owners including 40+ specialized commercial service technicians
- Trucks and vans dedicated to servicing commercial projects
- Expertise to diagnose and repair problems quickly and economically
- One-call solution for a range of facility needs
- Corporate culture and training committed to best-in-class service conduct
- From Allentown to Altoona to Wilkes-Barre to Waynesboro and all points in between...including our offices in Harrisburg, York, and Harleysville

Trust. Quality. Value. Since 1914.

HB McClure's core employee-owned values separate us from other service providers. We've built a solid reputation of trust since our founding in 1914. We guarantee top-notch work with high-quality materials at prices that can help you maintain your bottom line. With an HB McClure Preventive Maintenance Agreement, value becomes more about long-term cost control than short-term savings.
