### H.B. McClure Chosen as Leading Heating/Cooling Company in Harrisburg, PA *Susquehanna Style* Magazine's Readers Elect H.B. McClure for Third Year in a Row

HARRISBURG, Pa., December 20, 2013 – [H.B. McClure Company](http://www.hbmccclure.com), central Pennsylvania's oldest and most diverse residential and commercial mechanical contractor, was chosen as the number one heating/cooling contractor in central PA by readers of *Susquehanna Style* for the third consecutive year.

*Susquehanna Style* magazine's annual Who's Who in Business survey results identified H.B. McClure Company as the preferred provider in the Heating and Cooling, Residential category in the Harrisburg market.

"Are we thrilled to be selected as number one for the 3<sup>rd</sup> year in a row? You bet!" said Jeri Donadee, vice president. "As we're coming up on our 100 year anniversary this honor just speaks to the customer service, attention to detail and overall commitment to quality that has kept us at the top of our market for a full century."

Founded in 1914, H.B. McClure is celebrating 100 years in business, a landmark achievement that is rare in the HVAC industry in this area. In recent years, H.B. has experienced phenomenal growth in part due to strategic acquisitions but also as a result of customer loyalty and referrals.

# # #

*H.B. McClure Company is a leading mechanical contractor based in Harrisburg, PA. The company was founded in 1914 and provides plumbing, heating, cooling, fuel oil, propane, and home comfort services to businesses and residences in central Pennsylvania.*
