H.B. McClure Celebrates 100 Year Anniversary with Harrisburg Senators *Invites Local Community to Celebrate Landmark Event*

HARRISBURG, Pa., April 14, 2014 – [HB McClure Company](http://www.hbmccclure.com), a leading commercial and residential mechanical contractor based in Harrisburg, PA, is inviting all central Pennsylvanians to celebrate the company’s 100 Year Anniversary at the Harrisburg Senators on April 27, 2014.

HB McClure, founded in 1914 and employee-owned since 2010, is using its 100 year anniversary as a way to connect with the local community. HB McClure is paying for one box seat ticket when people who register at www.hbmccclure.com/senators download a voucher for a matching box seat ticket. Vouchers can be redeemed at the Senators Box Office prior to the game.

The celebration also includes free giveaways, courtesy of HB McClure and the Harrisburg Senators, including water bottles and other goodies that can be found at the HB McClure booth inside the stadium. The Senators take on the Bowie Orioles on April 27th and game time is 2:00 p.m.

“We wouldn’t be celebrating 100 great years if it wasn’t for our customers and community at large,” said Bob Whalen, President of HB McClure. “We couldn’t think of a better way to say ‘thank you’ than to hold a public event where we can gather with customers, friends and family members. The Harrisburg Senators offered us just that.”

HB McClure’s 100th year in business is a landmark achievement with HVAC service companies and among 3rd generation businesses. HB McClure has experienced phenomenal growth in the past 20 years, due in part to strategic acquisitions, service and product expansions and the transition from family-owned to employee-owned in 2010.

HB McClure provides heating/cooling installation and service, plumbing service, duct cleaning, propane delivery and more to homeowners and businesses throughout Central PA including, but not limited to Camp Hill, Carlisle, Dillsburg, Enola, Harrisburg, Hershey, Hummelstown, Mechanicsburg, New Cumberland, and York.
