H.B. McClure Receives 2013 Super Service Award from Angie's List *H.B. McClure is Super Service Provider for 3rd year in a row*

HARRISBURG, Pa., March 21, 2014 – [H.B. McClure Company](#), a leading commercial and residential mechanical contractor based in Harrisburg, PA, received the 2013 Super Service Award from *Angie's List* for the third year in a row. The Super Service Award is given to the top 5% of qualifying businesses on Angie's List.

Angie's List is a web site that consumers can visit to get information and ratings/reviews on businesses in many categories from home improvement to health services. HB McClure was an award winner in both the Heating & AC and Plumbing categories.

“Awards like this do more than motivate team members to keep giving better and better service,” said Jeri Donadee, Vice President, HB McClure. “They show you that you’re connecting well with customers, providing them with the expertise and range of services that they really value. Understanding our customers and delivering reliable value at reasonable prices is what brings our customers back time and again.”

HB McClure is celebrating its 100th year in business, a landmark achievement with HVAC service companies and among 3rd generation businesses. HB McClure has experienced phenomenal growth in the past 20 years, due in part to strategic acquisitions, service and product expansions and the transition from family-owned to employee-owned in 2010.

HB McClure provides heating/cooling installation and service, plumbing service, duct cleaning, propane delivery and more to homeowners and businesses throughout Central PA including, but not limited to Camp Hill, Carlisle, Dillsburg, Enola, Harrisburg, Hershey, Hummelstown, Mechanicsburg, New Cumberland, and York.
