HB McClure Company Acquires Green Mechanical LLC

HARRISBURG, PA, November 16, 2015 – [HB McClure Company](http://www.hbmccclure.com), central Pennsylvania’s oldest and most diverse commercial and residential mechanical contractor, announces the acquisition of Green Mechanical LLC of Mechanicsburg. The acquisition includes the physical assets such as vehicles, tools and inventory. HB McClure intends to retain Green Mechanical’s employees.

Founded in 2007, Green Mechanical is an HVAC contractor specializing in the servicing and installation of commercial and residential systems. This acquisition will further enhance HB McClure’s already substantial market position in the central-Pennsylvania region; as a top provider of mechanical contracting services.

“We look for strategic acquisitions that will enhance HB McClure’s ability to provide best-in-class service,” said Robert Whalen, President of HB McClure. “We believe the addition of Green Mechanical will assist us being even more responsive to the service and installation needs of our clients.”

With this acquisition, HB McClure now has 408 employees and a fleet of 243 vehicles working out of locations in Harrisburg, Harleysville and York; with total projected annual revenue of over \$75 million.

HB McClure is well known throughout central Pennsylvania for having one of the most diverse service offerings when it comes to heating, cooling, plumbing, electrical, propane, fuel oil, home comfort and more.
