**H.B. McClure Company Absorbs Feaser Mechanicals Clients**  
*Local Company Closes Residential HVAC Service and Replacement Division,  
H.B. McClure to “Maintain” Clients*

HARRISBURG, PA, June 11, 2013 – [H.B. McClure Company](http://www.hbmccclure.com), central Pennsylvania’s oldest and most diverse commercial and residential mechanical contractor, announces the absorption of Feaser Mechanicals’ Residential HVAC customer base.

Feaser Mechanicals, a mechanical contractor based in Newville, PA, closed its residential HVAC service and replacement division as of May 25, 2013. Company leadership requested that H.B. McClure Company maintain HVAC on-going service contracts and residential replacements. Todd Feaser, of Feaser Mechanicals, was also recently hired by H.B. McClure. H.B. McClure Company has committed to take care of all past Feaser Mechanicals clients.

“H.B. McClure is known for delivering quality, trust, and value to its clients,” said Robert F. Whalen, President of H.B. McClure. “That’s why Feaser Mechanicals’ leadership team turned to the H.B. McClure family. We will provide the best level of service to the former Feaser customers and make the transition as smooth as possible.”
