HB McClure Company Acquires Harrisburg's Kohl Brothers, Inc. *Local Company Closes, Entrusts HB McClure to Customer Accounts*

HARRISBURG, PA, June 1, 2015 – [HB McClure Company](#), central Pennsylvania's oldest and most diverse commercial and residential mechanical contractor, announces the formal acquisition of Harrisburg's Kohl Brothers, Inc.

Harrisburg's Kohl Brothers, Inc., a continuously family-run operation since 1881 that is primarily known for its plumbing, water treatment, and well repair operations, officially closed its doors on June 1, 2015. Ervin Kohl identified HB McClure as the chosen acquisition partner due in large part to HB McClure's regional reputation for providing quality services at fair prices with a highly-skilled team. HB McClure will also maintain Harrisburg's Kohl Brothers' ongoing service contracts.

"HB McClure looks forward to providing Harrisburg's Kohl Brothers' customers with a consistent level of service and attention," says Eric J. Crawford, VP of HB McClure Residential Department. "We are excited about the opportunity to bring HB McClure's diverse range of services as well as our commitment to trust, quality, and value to the Harrisburg Kohl Brothers' family of customers."

HB McClure is well-known throughout central Pennsylvania for having one of the most diverse service offerings when it comes to heating, cooling, plumbing, electrical, propane, fuel oil, home comfort and more. The acquisition of Harrisburg's Kohl Brothers further enhances the company's plumbing services, particularly in relation to well repair and water treatment.
