The Most Versatile Plumber Around

Count on HB McClure to service your plumbing system from the street to the kitchen (and everything in between).

Fuel Oil/Propane

Reliable Delivery. Trust HB McClure for affordable, worry-free fuel oil and propane service and delivery. We offer a variety of delivery and flexible payment options.

Gold Shield Comfort Agreements

Our affordable preventive maintenance programs keep home comfort systems running at peak efficiency and can help protect you from unexpected equipment failures and expensive repairs. Stop problems before they start and reduce energy costs.

Geothermal

Is Geothermal for you? We're the region's most experienced geothermal contractor. Geothermal systems are quiet, energy-efficient, and provide a near-term payback.

Duct Cleaning

Protect Your Family. Dust, pollen, pet dander and other airborne contaminants can build up in your system. Clean ductwork provides a healthier indoor environment.

Home Comfort Assessments

Improve Comfort, Breathe Easy. Our Home Comfort Assessments evaluate your indoor air quality and system air flow efficiency to help improve whole-house comfort and reduce utility bills.
